SOUTH CAROLINA
DOCKET NO. 2007-265-T - ORDER NO. 2007-689
OCTOBER 10, 2007

IN RE: Application of Gentlemen Movers, Inc., 110) ORDER DISMISSING
Newland Road, Columbia, South Carolina) APPLICATION WITHOUT
29229 (District 2) for a Rate Increase.) PREJUDICE

This matter comes before the Public Service Commission of South Carolina (the Commission) on the objection of the Office of Regulatory Staff (ORS) to the Application of Gentlemen Movers, Inc. (Gentlemen Movers or the Company). On July 11, 2007, Gentlemen Movers filed an Application with the Commission seeking an increase in the Company's rates. Subsequent to the Company's filing, the ORS requested postponement of the Commission's ruling on Gentlemen Movers' application to allow ORS an opportunity to perform an audit and impact study regarding the Company's application. By Order No. 2007-519, issued August 2, 2007, the Commission postponed its ruling on the application and granted ORS until September 4, 2007, to complete its investigation of Gentlemen Movers' application and to submit its findings to the Commission.

On August 30, 2007, the ORS filed an objection to Gentlemen Movers' application. Since the issuance of Order No. 2007-519, ORS states that it has attempted to retrieve documentation from the Company, such as bills of lading, a check register, a general ledger, and other information, in order to conduct the study of the application. ORS advises that Gentlemen Movers has either failed to produce or produced incomplete

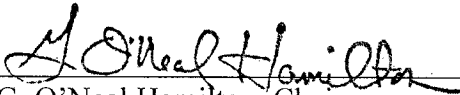

documents to the requests of ORS, thereby rendering ORS unable to conduct its study. Therefore, ORS objects to the application for a rate increase, but requests that Gentlemen Movers be allowed to reapply in the future once the Company can produce sufficient records from which an audit and impact study may be conducted.

We have examined the objection of ORS to the application and find that Gentlemen Movers has failed to provide sufficient information for ORS to perform an audit and impact study of the rates proposed by the Company. Accordingly, we deem that the application for a rate increase of Gentlemen Movers should be dismissed. Further, we believe that Gentlemen Movers should be allowed to reapply to this Commission in the future if sufficient documentation can be produced by the Company.

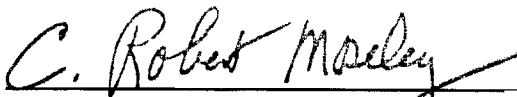

IT IS THEREFORE ORDERED THAT:

1. The Application of Gentlemen Movers, Inc. for a Rate Increase is dismissed without prejudice.
2. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

G. O'Neal Hamilton, Chairman
